as if their ADORING PUBLIC were GRATEFULLY APPLAUDING their ANTICS - as if THE WHOLE WORLD really WAS WATCHING - when of course it really didn't GIVE a FUCK -

Especially NOT about a gang of LOUSY DRUG TRAFFICKERS like $CAMH. Which was ALL that was REALLY going on - $CAMH applauding $CAMH while trying to look like SOMETHING OTHER than a DRUG CARTEL.

Of course, this was deceptive - extremely so - part of their larger scam to EMOTIONALLY MANIPULATE and DEFRAUD them of BILLIONS - much more deceptive than a private citizen running several accounts in a DESPERATE EFFORT to be HEARD (as the IABC likes to say, but doesn't MEAN - for THEM it's TO BE "HERD") - to be HEARD at ALL - above the DIN of CEO Sane's CONSTANT IN(S)ANE CHEERLEADING.

Too BAD about $CAMH - worse, MUCH WORSE about TWITTER and TWITTER'S "Hazel Lytle" - for the OBVIOUS DOUBLE STANDARD.

To COLLABORATE with FASCISTS - was to be one. Shame on you TWITTER, for putting yourself RIGHT UP THERE - or rather DOWN THERE - with Pizza Baroness McCain and the BELL (HELL) Telephone Company and LaBATT and BEAMISH and the whole BAD PHARMA GANG - as just another $CAMH HUMAN TRAFFICKING CLIENT.
